Emma's Introductory Message to the Flyfords Family

Hello,

I thought I would take this opportunity to introduce myself. In 2017, I began my first incumbency at Stoulton with Drakes Broughton and Pirton. I live in Stoulton with my fox terrier dog, Bertie. Previously I was a Curate in North and West Malvern for almost three years. My ministerial training was at Ripon College Cuddesdon for two years during which I met your previous incumbent, Gary. I grew up in Bidford on Avon and know the surrounding area quite well. Before being called to the priesthood, I was employed by Warwickshire College as a Lecturer of Business and Computing. I enjoy walking my dog, tinkering with computers, and very occasionally, motorbiking.

Having grown up in the countryside, my heart is in caring for rural churches and growing mission minded disciples. I feel called to work with people, collaboratively, enabling them to use their gifts within the church for the growing of God's kingdom. I am also quite at home with both traditional and modern styles of worship.

I am very much looking forward to meeting you all and finding out what God has in store!

Blessings

Emma

Revd Emma Goldby.

WORCESTERSHIRE

COVID-19: Five steps to look after yourself and others

Take care of yourself and stay healthy

One of the best ways to protect others is to protect yourself.

Wash your hands regularly and thoroughly with soap and water for 20 seconds and dry thoroughly.

Isolate yourself from others as much as possible. Stay away from places where people gather, like bars, clubs and cinemas.

Call, chat, check

Swap phone numbers with your immediate neighbours.

Check on your neighbours and loved ones, particularly if they are elderly or vulnerable.

Help to provide them with food and other essential supplies if you can.

Alert relevant organisations if you are concerned about the wellbeing of others.

Be kind. Think of others

Please shop considerately. Don't bulk-buy essential items like toilet paper, long-life foods or baby supplies.

Use local community social media groups to share information and advice.

If you have surplus supplies of essential items, consider offering them to people in need.

Avoid wasting food – you could even sow fast growing seeds like cress or lettuce.

Get online to stay in touch

Being in self-isolation doesn't mean cutting yourself off from others.

Consider using methods like video calling on your phone or computer to speak to friends and loved ones.

For those who are not online, a telephone call is the ideal way to stay connected.

Share accurate advice and information

We live in a world of rumour and misinformation – make sure you're accessing and sharing accurate news.

Use reputable and verified news sources – if you hear something that doesn't sound right, do some research on websites you trust.

Our website is being updated regularly with all the latest news about the ongoing situation.
