**20<sup>th</sup> September 2020**  
**The 15<sup>th</sup> Sunday After Trinity**

*Dear Friends,*

Welcome back to Gary and April after some much-needed time off.

I'm sure there are a lot of you who will be very pleased when I *am* finally ordained so that I won't have to keep writing to let you know how things are going! It definitely *should* be happening on Saturday 26<sup>th</sup> September at 10.00am at Worcester Cathedral. Unfortunately, I can't invite anyone to attend the service, only a handful are allowed. I will though be having some sort of a celebration after my priesting next year (all being well).

Do continue to check this website for which churches have Morning Prayer services on a Sunday, or that are open for Private Prayer.

Please be assured of my prayers for all in our local area as we prepare once again for more stringent Covid-19 regulations. Please keep safe and be vigilant as we move towards autumn and the winter months. Let us include our neighbours in our prayers as the cooler days draw in and we might not see each other as often.

If you would like a call from me as your curate, please do let Caroline know (07514 901344) or call me direct on 07921 101320 or 01905 841674.

Once again, thanks to Caroline in the Flyfords Family and to Carole in the Bowland benefice for continuing to update us with information throughout these strange times.

*Claire*

## COVID-19: Five steps to look after yourself and others

### Take care of yourself and stay healthy

One of the best ways to protect others is to protect yourself.

- Wash your hands regularly and thoroughly with soap and water for 20 seconds and dry thoroughly.

- Isolate yourself from others as much as possible. Stay away from places where people gather, like bars, clubs and cinemas.

### Call, chat, check

Swap phone numbers with your immediate neighbours.

- Check on your neighbours and loved ones, particularly if they are elderly or vulnerable.

- Help to provide them with food and other essential supplies if you can.

- Alert relevant organisations if you are concerned about the wellbeing of others.

### Be kind. Think of others

Please shop considerately. Don't bulk-buy essential items like toilet paper, long-life foods or baby supplies.

- Use local community social media groups to share information and advice.

- If you have surplus supplies of essential items, consider offering them to people in need.

- Avoid wasting food – you could even sow fast growing seeds like cress or lettuce.

### Get online to stay in touch

Being in self-isolation doesn't mean cutting yourself off from others.

- Consider using methods like video calling on your phone or computer to speak to friends and loved ones.

- For those who are not online, a telephone call is the ideal way to stay connected.

### Share accurate advice and information

We live in a world of rumour and misinformation – make sure you're accessing and sharing accurate news.

- Use reputable and verified news sources – if you hear something that doesn't sound right, do some research on websites you trust.

- Our website is being updated regularly with all the latest news about the ongoing situation.
