Notices and Announcements:

Look at Church a different way

Would you like to be involved in a "church" that exists for the sake of people who are not yet members of any church? Do you feel that church could be so much more than it is - but don't know where to start? Mission-Shaped Ministry (msm) is about reinventing the way we do church. Over the course of a year (6 mid-week evenings in a choice of two venues, 3 Saturdays and a weekend away) you'll get to hear many real-life stories, think through why we do church, and the practicalities of doing it differently. There's still time to book on the msm course starting in September. Led by a local team, together with a range of guest speakers, all with hands-on experience of fresh expressions of church, it will equip you to be part of a movement that is growing around the country. Come by yourself - or ideally come with 2 or 3 others to go on this journey together.
