Palm Sunday

Dear Friends,

Palm Sunday usually is a lovely celebration in church. Some churches process to the church with a donkey to recreate Jesus' journey into Jerusalem which children really enjoy, especially when there are free rides afterwards!

This year of course, our celebrations will be different, as our churches will remain closed for services until well after Easter. However, we can still reflect on the meaning of Palm Sunday. Reflecting on why Jesus obediently followed God's will instead of the hype of the crowd, I think is very fitting this year. Jesus' teachings and actions all point to the real hope and love God offers rather than the short term fix the people thought they wanted. However, God gave them, gave us, what they really needed. A Saviour for all humankind.

You remain in my prayers and I hope you continue to keep safe and well.

Please continue to check this website for updates and news in the Flyfords.
