30th August 2020 - The 12th Sunday After Trinity

Dear Friends,

I guess that we can all recall milestones in our life... some very significant, like marriage or illness, and some less so. However, they were all markers along the path of life that we clearly remember for different reasons. Some people have had similar milestones recently during the lockdown, including myself this year, where we know that God has something particular to say to us.

Thank God for those milestones, because he can and does speak through them, and sometimes in the most unexpected ways.

Please be assured of my ongoing prayers for you all, and I look forward to the day (very soon, I hope), when we can meet again together to worship God in spirit and in truth.

As you know, we shall continue to distribute service sheets for the time being, until things begin to settle down again. The good news is that we are beginning at last to experiment with having short services in some of our churches on a Sunday morning, so please keep a watch on these pages for updates.

If you would like a call from me during the week, please do let Caroline know, or you can call me direct on the Rectory number.

Gary

HERE 2 HELP WORCESTERSHIRE COVID-19: Five steps to look after yourself and others

Take care of yourself and stay healthy

- One of the best ways to protect others is to protect yourself.
- Wash your hands regularly and thoroughly with soap and water for 20 seconds and dry thoroughly.
- Isolate yourself from others as much as possible. Stay away from places where people gather, like bars, clubs and cinemas.

Call, chat, check

- Swap phone numbers with your immediate neighbours.
- Check on your neighbours and loved ones, particularly if they are elderly or vulnerable.
- Help to provide them with food and other essential supplies if you can.
- Alert relevant organisations if you are concerned about the wellbeing of others.

Be kind. Think of others

- Please shop considerately. Don't bulk-buy essential items like toilet paper, long-life foods or baby supplies.
- Use local community social media groups to share information and advice.
- If you have surplus supplies of essential items, consider offering them to people in need.
- Avoid wasting food – you could even sow fast growing seeds like cress or lettuce.

Get online to stay in touch

- Being in self-isolation doesn't mean cutting yourself off from others.
- Consider using methods like video calling on your phone or computer to speak to friends and loved ones.
- For those who are not online, a telephone call is the ideal way to stay connected.

Share accurate advice and information

- We live in a world of rumour and misinformation – make sure you're accessing and sharing accurate news.
- Use reputable and verified news sources – if you hear something that doesn't sound right, do some research on websites you trust.
- Our website is being updated regularly with all the latest news about the ongoing situation.

If you have anything you would like to mention in this space, whether it's a notice, a favourite recipe, a poem or something else, then please get in touch with our administrator by phone or email.
