*Dear Friends,*

*Happy Easter! Yes, this year I really do want to say Happy Easter as I have a real sense of hope and joy! Last year's Easter was very difficult as we just didn't know how the pandemic would be resolved. We still do not 100% know when the pandemic will completely end but, and it's a huge but, now as almost half the population have received their vaccine, we can finally see that life is improving. My joy and hope are not only based in this medical development. My joy and hope resound from the meaning and purpose of this day. Which is, quite simply, the celebration of Jesus' resurrection. We celebrate Jesus' conquering death and sin because through His sacrifice, he opened the way for us to know and have a deep relationship with God.*

*How will you celebrate this amazing Good news in your life?*

*You remain in my prayers and I hope you continue to keep safe and well.*

*Please continue to check this website for updates and news in the Flyfords.*

*If you would like a call from me during the week, please let Caroline know on;*

*Blessings*
